

IRV::TransformVote

```
graph LR; A[IRV::TransformVote] --> B[IRV::find]
```

A diagram showing a call from the function IRV::TransformVote to the function IRV::find. The first box, IRV::TransformVote, is shaded gray and has a black border. A blue arrow points from its right side to the second box, IRV::find, which is white with a black border.

IRV::find
